The Board of Education is the framework upon which our school system functions. The Board meets the second Wednesday of each month with Superintendent W E McVey to discuss problems, possible improvements and changes in our school system. They are always ready to give their whole hearted cooperation in advancing true Thornton spirit and seeing that Thornton ideals and standards are upheld to the utmost esteem. They are men capable of taking care of the ever increasing needs of our rapidly growing institution. The Board, after careful investigation, selects new faculty members when needed.

Mr. A H McDougall is the present president and has been a member since 1913. Mr. G H Gibson, vice president, has served as a member of the board since 1912. The secretary of the board since 1933 is Mr. C W. Waaso.

Other members of the board are Mr. W R Brandt who has served for eight years, Mr. C E Waterman serving since 1911, Mr. G P Fisher who has been a member since 1933 and Mr. W. Hennes, a new member elected April 8, 1939.

The Board members are elected by a direct vote of the people and they give their services free. They are always working toward improving the school and community so that Thornton will be a better and more abundant source of thorough knowledge and inspiration.

As president of the high school Mr. Mavey has the duty of looking after the hopes and ambitions of the 200 students who are members. To him go all the expressions of students who need his helpful advice and encouragement.

Dean of Boys

The plan of an efficient administration would not be complete without the positions of Dean of Boys and Dean of Girls. To Mr. O. F. Umbaugh goes the responsibility of attending to the many problems and difficulties of the 1400 boys enrolled in Thornton.

Mr. J. F. Zimmerman, senior class principal, looked after the hopes and ambitions of over 400 seniors. His many duties included working with the various committees which select the class ring, pin, and graduation announcements, meeting with the Senate and supervising the management of the senior class play.

Junior class principal Mr. T. R. Birkhead administered to the problems and troubles of 700 juniors. The junior class is the senior class of next year and upon Mr. Birkhead rested the task of guiding each junior toward a more successful senior year, a task he admirably accomplished.

Mr. O. F. Umbaugh

Mr. J. F. Zimmerman

Dean of Girls

Miss Helene Wilson, as Dean of Girls, takes a responsibility similar to that of the Dean of Boys, attending to the many duties required and in addition, serving as advisor to the Girls Club. It is she who provides the inspiration so vitally necessary for this girls organization which was the initial one of its kind in Illinois. To Miss Wilson and Mr. Umbaugh go credit such as could not be aptly described by any mortal.

Mr. Joseph Stephens is sophomore class principal, heading a class of more than 500 students. To the many executive and student problems he encounters, Mr. Stephens adds the pleasant duty of aiding the program of the Boys club annual Stag.

As freshman class principal, Dr. Clifford Rhea Maddox had the not unpleasant task of solving the many problems of over 800 freshmen. Dr. Maddox, in addition, had the duty of Supervisor of Instruction. In this capacity, Dr. Maddox takes care of the intelligence tests given freshmen and also supervises the methods of instruction of the various departments.

Faculty

Thornton faculty members have always endeavored to press Thornton spirit, loyalty and prestige in their classes. Thornton pupils rank high in the field of knowledge, but without the aid of excellent leaders and advisors this would not be true.

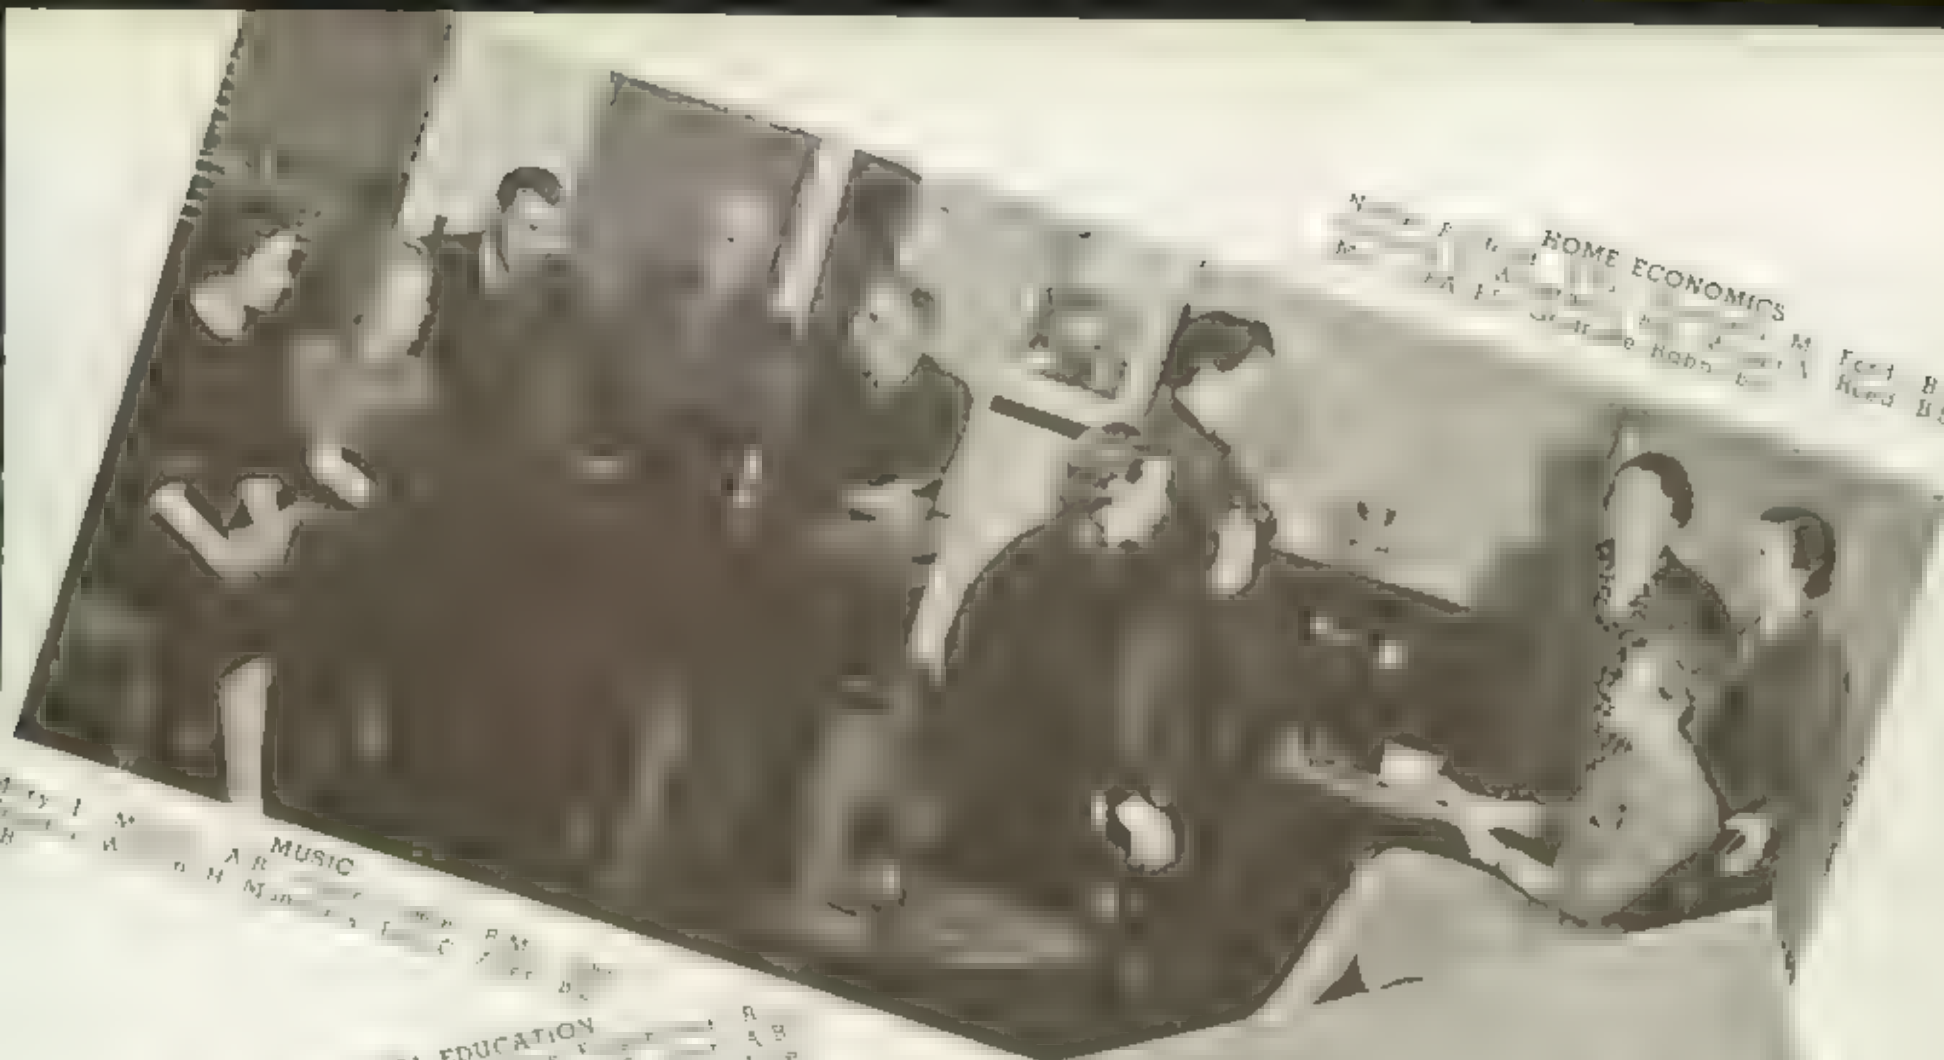

There are eleven major departments in our school system. Several of these major departments are divided into smaller divisions. Each particular division has one of its members as a head. Mr. O. F. Umbaugh is head of the English department. The science department is divided into five divisions, each with a separate head: biology, Mr. A. C. Brookley; chemistry, Mr. D. C. Allen; general science, Mr. L. L. Schilt; physics, Mr. P. S. Godwin; and physiology, taught by the school nurse, Miss A. Ellis. The social science department is divided into three classes: history, economics, and civics. Mr. C. C. Stegmaier heads the history group and Mr. J. F. Zimmerman, economics and civics. The language department is headed by Miss M. E. Anderson.

Seniors

The "400", that's what they call the thirty-niners whose class this year totaled 476 members. The "400" under the leadership of class president Jack McPherrin and his assistants Bayard Stevenson, Milton Younker, William Stanley and George Hayes, have contributed to make **the year 1939 a truly unforgettable one!**

The Girls Club forged ahead with Virginia Treen as leader while the Boys Club made strides with William Stanley as president.

Our football team under inspiration of Coach Lipe, clinched the South Suburban Championship and brought forth such stars as John Luttrell, William Stanley, Russell Ahrens, Frank Arlaskus, Robert Bauman, John Sullivan and Ed Shea.

The basketball championship, which the Lipemen won by virtue of eleven wins and one defeat, showed Thornton's superiority over other teams in the South Suburban League and in **the Regional Tourney.**

Not to leave swimming out of the spotlight Thornton captured the 1939 League title and developed Renaud Bennett, that year's outstanding swimmer who made excellent time in the 100 and 220 yard free style. Ann Alexander set the state record in the Illinois High School Girls **Telegraphic Swimming Meet for the twenty yard crawl.**

'Seven Keys to Baldpate,' Girls and Boys Club play earned high praise while the senior class play 'Skidding' was deemed a triumphant feat. Included in the cast of 'Skidding' were Roberta Mott, Henry Ingwersen, Gloria Van Wormer, Paul Clark, Norma Siejna, Marshall Jensen, William Stanley, Vince Swearingen, Donis Lloyd, and Dorothy Rozene.

The Junior Senior Hallowe'en party gave students an enjoyable time while the Junior Senior prom proved to be an even more gala affair.

Debaters were extremely successful in their field and Paul Clark claimed outstanding ability in oratory by winning first place in the state and second in the national oratorical contest.

Honors in music were won by Gayle Choate, oboe La Verne Graft flute Robert Parish marimba, Bayard Stevenson, alto clarinet and Robert Stokes and George Hayes of the brass quartet.

The year also brought scholastic honors to ambitious seniors. Included in the list of first semester all A students were Margie Burkholz, Margaret Chaney Paul Clark, James Daanen Doris Redding, Bayard Stevenson Gloria Van Wormer, and Dorothy Zilsberger Norma Barna, Naomi Fork, La Verne Graft Gene Klauk Wanda Marciniak Robert McCoy, Phyllis Ogden, and William Stanley were all A and one B students.

Juniors

An eventful third year was spent in Thornton by the class of 40 under the supervision of Mr. T. R. Birkhead, junior class principal. An all-boy group of officers was chosen with Raymond Vincent as the leader and Paul Gouwens, Claude Anderson, Harry Rinkema and Howard Ursettie to assist him.

The first big event of the year for these upper classmen was the Junior-Senior semi-masquerade party held October 29 in the Little Theatre. The Junior-Senior prom, held at the Lincolnshire Country Club, brought even a larger crowd and proved to be a gala affair.

It is a tradition at Thornton to have the May Queen and her court elected from the junior class by all the girls of the school. Lois Reich was selected the Queen with Norma Bugh the Maid of Honor. The court was composed of Margaret Algar, Jean Birks, Carolyn Doll, Marjorie Cooke, Mary Guild, Caryl Hobbs, Marjorie Lloyd, Jean Olson, Jean Scupham and Margaret Vandenberg.

In athletics the junior class started by having both basketball leaders, lightweight captain, Howard Ursettie, and the heavyweight captain, Raymond Vincent, from their class.

Both Mary Guild on piano and Carrie Jean Silver on flute won first place in the state band contest and were recommended to the regional contest. William Phillips, member of both the cornet trio and the brass quartet, was also recommended.

Many of the Juniors were scholastically outstanding. Mary Ann Pickrel won third prize in a state essay contest and later in the year was adjudged to have written the best essay among 2,400 submitted. Those students receiving honors for the first semester were Warren Claussen, William Crowder, Henry D. DeYoung, Jean Olson, James Phillips, Carrie Jean Silver, Howard Ursettie, Vera Waldschmidt, and Robert Zeilenga.

STANDING: Howard Ursettie, treasurer; Paul Gouwens, first vice-president. SITTING: Raymond Vincent, president, Harry Rinkema, secretary. Not in picture, Claude Anderson, second vice-president.

Sophomores

The class of 1941 started the second year of its high school career with 738 students enrolled under the supervision of Mr. Joseph B. Stephens, sophomore class principal.

Early in the first semester John Haas was elected president, Marilyn O'Hara first vice president, Robert Downey second vice-president, Sheila Smith secretary and Betty Hughes treasurer.

On the afternoon of November 18 the sophomores held a party in honor of the championship varsity football team to which juniors and seniors were invited.

Members of the sophomore class who won honors in the state band contest in solos or groups were Marvin Metzger, Robert Downey, Dorothy Gray, Barbara Price, Minam Davis and Melvin Schreiber.

Not only were sophomores active in class and extra curricular activities, but many rated high in scholarship. At the end of the first semester, eleven students had attained a perfect average in all of their subjects. They were Virginia Bruhn, Martha Collier, Marjorie Coyne, LeVerne Dalenberg, Elsie Falter, Alma Kemnitz, William O'Brien, Marilyn Saplis, Marjorie Voss, Orva Mae Watkins, and Charles Woodrich.

Last year a group of students who were commonly known as "Freshies" or "Greenies" entered High School for a four years' flight. During their first year they kept their mouths open, depending upon their teachers to bring them a bite of education. These new students looked to the upperclassmen for leadership and, little by little, started to try out their own wings. By the end of the first year they had learned to think and act for themselves.

Last September many of them came back, but some found jobs and others transferred to different schools. Likewise, many new students joined the class. Last year's freshmen are now sophomores and show an amazing difference. Instead of speaking of general science and other first year subjects, they now talk in the higher terms of mathematics and biology. No longer do these students feel unwanted and unimportant, for they have now reached the rank of sophomores.

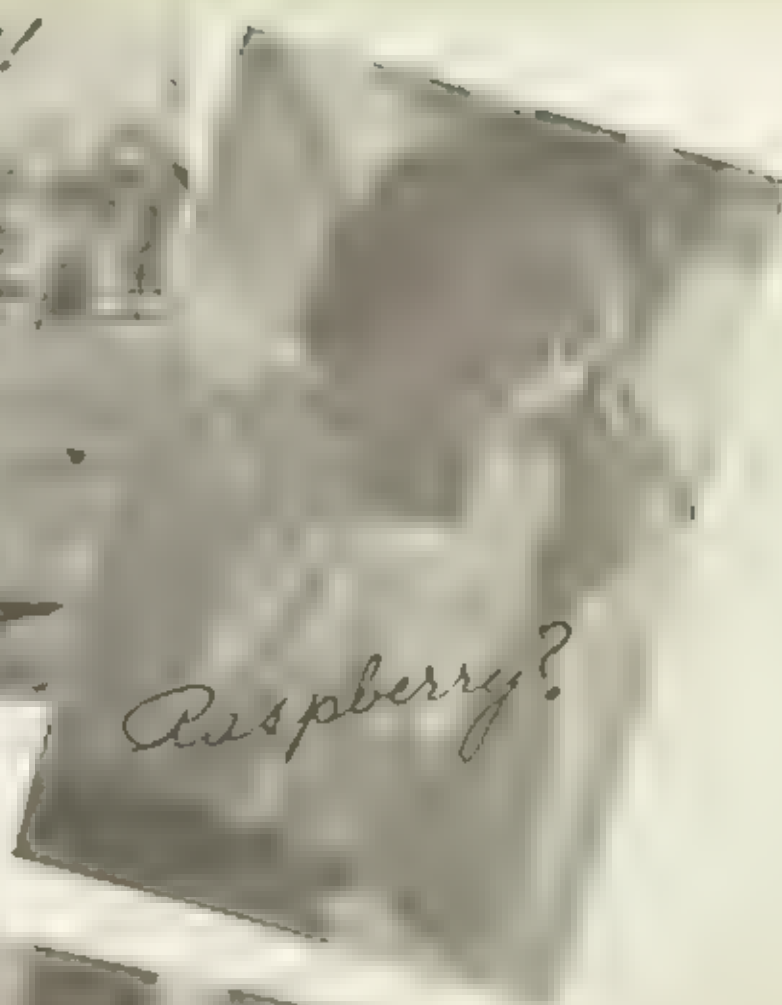

Not only have second year students attained high scholastic achievements but they have taken part also in extra curricular activities. The band claims many sophomore members, and many sophomores belong to the numerous clubs. Sophomore girls have taken an active part in the Girls Club, as have the boys in the Boys Club and its different branches. Each homeroom has its Boys Club representative who serves the Club by selling tickets for its social functions and assists in many other ways.

Freshmen

Small in size but mighty in numbers and intelligence, Thornton's largest freshman class started their high school career this year.

The first semester glided by smoothly under the direction of Mr. C. R. Maddox, freshman class principal. At the beginning of the second semester John McConnell was elected to head the class for the remainder of the year. Dave Staehling, Paul Phillips, Betty Birkholz, and Frank Bauman were chosen to aid him.

'Slack not in scholarship' seemed to be the motto of the freshman class with Howard Adler, Mary Jo Clark, Jane Herthel, Paul Phillips, Marie Zielstra, Betty Courtney, Robert Hayes, Virginia Crain, and Ruth Dalenberg ranking high for the first semester.

Frank Bauman (following in the steps of Brother Bob) did his duty to his class and his school in athletics. In the basketball tournaments at Bloom and Joliet, he stepped into the place of his brother, who was out because of injuries.

On May 12 the annual freshman party was held. The class officers, together with Betty Ann Hazelhurst and Joann Berovic, helped to make the frolic a success and to give the freshmen a start on the social program of their class.

In all school activities from scholarship to frolics, the freshmen have been a model and an inspiration to the rest of the students.

A rush of wind and a streak of blur can mean only one thing. It is one of those new little freshmen who has not yet found that he can walk rather leisurely and still reach class in the appointed five minutes.

A word of advice if permissible the freshman often feels as though he is unimportant. He can hardly wait until his sophomore year, or better still until he becomes an upperclassman. The upperclassmen and graduates will tell him that his freshman year will mean a great deal to him when he reaches his goal and looks back. Let the freshman enjoy his first year at Thornton. enjoy it in all its new and mysterious splendor.

The seniors are told that they could never realize just how much the freshman tries to pattern himself after them. but many are lessons the seniors could learn from the freshman. if they just stopped to consider the good points that the freshman class deserves to have noticed.

Congratulations, freshmen!

Scholarship, leadership, service and character are the qualities which determine a student's eligibility for the National Honor Society. Students chosen for this Society must be in the upper one-fourth of their class. Not more than 15 per cent of the class may be chosen. Candidates are judged by members of the faculty who have worked with them for the preceding four years.

Thornton also has a school honor roll which is based on scholarship alone. Students on this honor roll must have an average of 4.1 for the four years.

The Chorus is made up of seventy voices, boys and girls combined, under the direction of Miss Irene Olson. This organization is in its first year. In past years there have been separate boys' and girls' glee clubs meeting during different periods.

The Chorus spends the third period each day practicing its songs, and extra time is spent if a special program is to be given. Various clubs and organizations of Harvey and Homewood have asked the Chorus to sing for them especially during the Christmas season. This year the members carried out the custom of singing for the students on the last school day before Christmas vacation. The accompanist for the Chorus is David Simpson.

The Glee Club, made up of fifty girls, is composed of those who have good voices, for whom there is no place in the Chorus, as it has a capacity for only seventy voices. The Glee Club, also active in singing at social events, sang selections at the Christmas and Spring Concerts. The accompanist for the Glee Club is Mary Guild.

Band

Thornton's band, under the direction of Mr. D. C. Allen, is one of our greatest sources of school pride. What would a football game be without the band marching at the half? The rolling of the drums, the high-stepping drum-major and the rhythmic march music all add to its color.

Not only has the band been acclaimed at Thornton, but also throughout the state. At the state contest, held this year at the La Salle-Peru High School in La Salle, Illinois, it received a group 1 rating and many soloists received honors.

La Verne Graff, having been awarded national championship in 1938 on both flute and piccolo, went directly to the National this year. Joseph Monroe, Bayard Stevenson, Miriam Davis, and Robert Parish won 1st place in the District and State and were recommended to the National. Carrie Jean Silver and Gayle Choate won group 1 rating in the District and the State. Several quartettes and trios also received honors.

The annual band concert was held on March 3rd. The band entertained a vast audience with the "Unfinished Symphony" by Schubert, "Tales from Vienna Woods" by Strauss, and other notable selections.

Publications

Journalism students who are seniors of superior scholarship and have an excellent English record prepared the publications under the direction of Mr. P. W. M. Dowel, journalism instructor, and Mr. O. F. Umbaugh, adviser of publications.

The weekly paper undertook many changes in an endeavor to furnish the school with the best attainable record of events and entertainment. As a means of sharing honors a rotating staff was used. Staff members are active in the Greater Chicago Scholastic Press Guild, the National Scholastic Press Association, the Illinois State High School Press Association and Quill and Scroll, international honor society.

A five column paper was introduced for the first six months of the school year. At Christmas a splendid eight-page paper printed in green accomplished a complete sell out. Later a new streamlined four column paper was introduced.

The art staff followed an informal plan of layout for the yearbook as an attempt to create something new. Publishing an annual and a newspaper places a great responsibility on the students, thus giving them a view of what life requires.

The senior class play "Skidding" presented April 2 and 3, portrayed the life of the Hardy family from which the popular movie series has been started. William Schell as Luke Hardy and Lillian M. Miss Lillian M. Conley directed the cast for the Aurania Rouerol performance.

The Boys and Girls club play "Seven Keys to Baldpate" written by George M. Cohan was presented November 17th, 18th and 19th. Funds realized from the play were used to pay the assessments given during the ensuing year.

In the 2 act thriller "Adrian Schellink portrayed William Mayne a time store novelist and Joyce Rozene played Mary Nelson a young newspaper reporter who covers the story of Mayne's wild bet. The most outstanding debaters were Robert Buel, Paul Clark, Alberta Menze, John McElowney, Vag. Pugh, Milton Kaplan, Louis Kemnitz, Priscilla Copeland, Melvin Evans, and Garret Staat.

Paul Clark won a degree of distinction which entitles him to wear a gold key with a ribbon awarded by the National Forensic League. This League is a national organization concerned with speech delivery and debate, ex-temporaneous and interpretive reading in high schools. Only five hundred schools are privileged to enter the League.

Charter members of the League are Robert Buel, Paul Clark, Alberta Menze, John McElowney, Garret Staat and Mr. E. C. Ohlert.

Robert Buel won a gold medal for best piece among non-contestants in a contest held at New Trier High School.

Boys Club

The Boys Club is governed by a student board of ten members under the supervision and advice of the dean of boys.

The Boys Club officers are elected from the members of this Board. The president must be a senior and the first vice-president is always a junior.

At the close of each school term the president of the Boys Club at a Boys Club assembly gives the Club Constitution to the first vice president to guard until school re-opens. This ceremony has become one of the traditions of the Club.

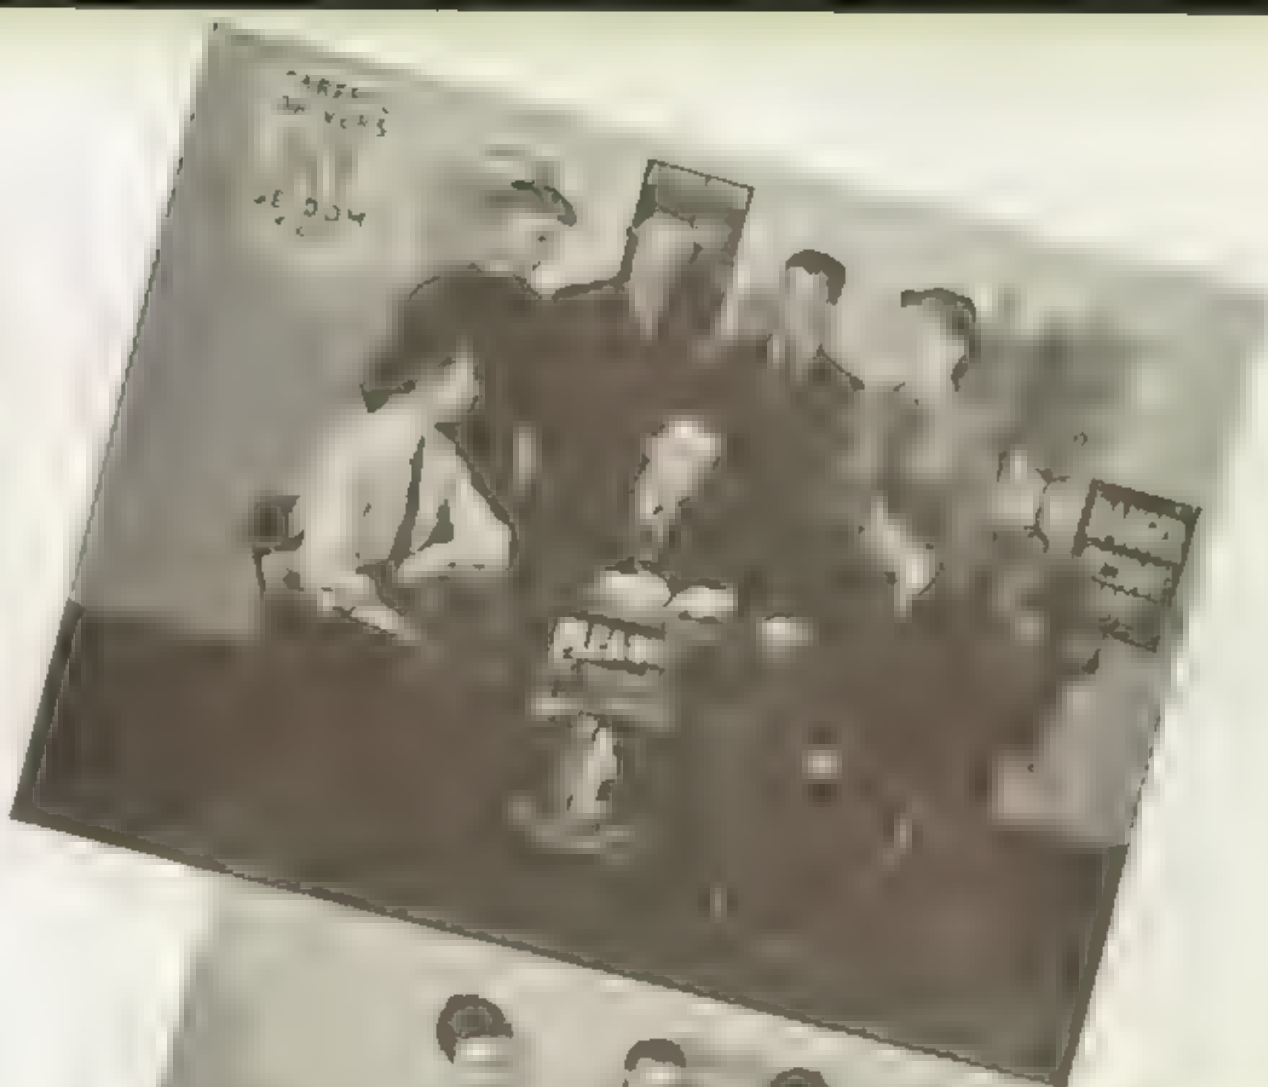

All boys in the high school are members of the Boys Club. The Club sponsors many activities. When death visits the family of a member the Club sends flowers. In conjunction with the Girls Club they present an annual play to raise funds for the Boys and Girls Club assemblies. They present an annual Father and Son Stag.

The shops and biology rooms were opened so that the guests might inspect them before the main event of the evening. Simultaneously a sound movie was shown in the Little theatre and the swimming team gave a demonstration in the school pool.

At 8 p. m. the fathers and sons assembled in the auditorium. The dads were welcomed by William Stanley and Mr. George Giney replied for the fathers. Mr. Bradner of the history department entertained with the help of Dave Simpson.

Girls Club

The Girls Club of Thornton was organized by Miss Frances Gordon in January, 1916. Before that time she had conducted a Camp Fire for high school girls, but because there were so many girls anxious to participate in it, a Girls Club was started. The purpose of this organization is to promote enterprises contributing to the enrichment of the lives of the high school girls. It is governed by a Board of Control under the supervision of Miss Wilson, dean of girls. This year's officers consist of a president, Virginia Treen, who presides over all meetings of the Board of Control and the Girls Club; a vice president, Norma Bagh, who assists the president; a secretary, Alice Rudolph, who records all meetings; a treasurer, Gayle Choate, who attends to all receipts and expenditures. Besides these there is a speaker of the Council, Dorothy Agnell, who presides over its meetings. There is one member of this Council in each homeroom. The Council is concerned with the matters of welfare pertaining to the club and is designed to make leaders conscious of the numerous problems of the organization.

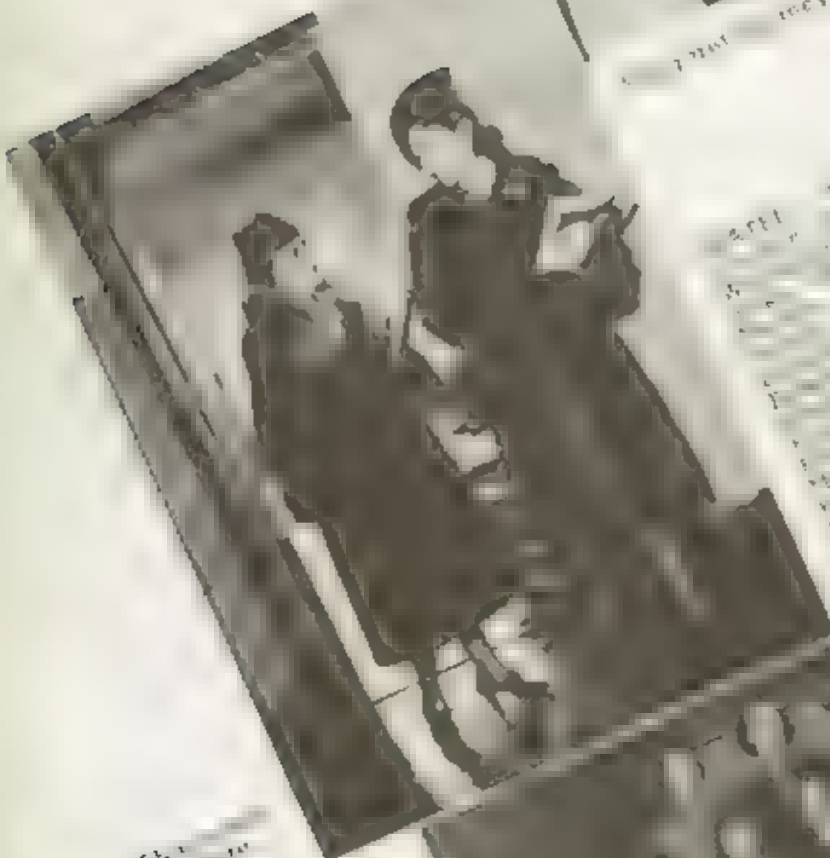

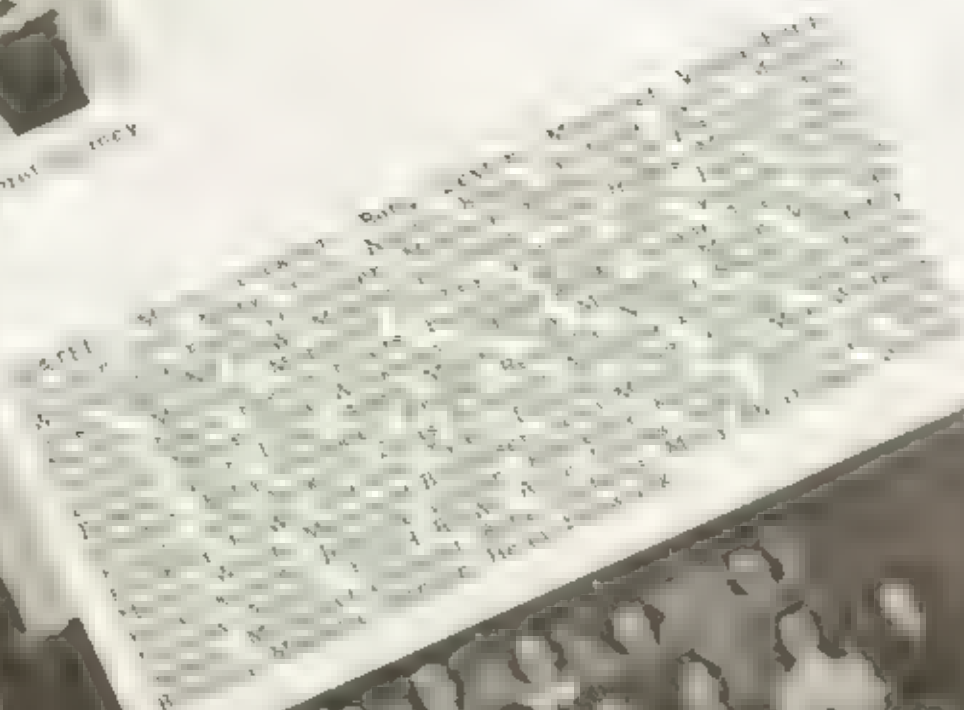

In each homeroom there is a Division Chairman. Chairmen are presided over by Esther Kramer, the speaker of this organization. These girls keep the attendance of the other girls in their homerooms and report all absentees to the Girls Club. Then when a girl is absent three days or more, a cheery note is sent her by the secretary of Attendance or in case of a death in her immediate family, flowers are sent.

The Board of Control assumes responsibility in all matters pertaining to the Girls Club. It determines the policies of the club and transacts business for it. The membership consists of three representatives from the Freshman class, four from the Sophomore class, five from the Junior class and six from the Senior class.

Welfare Committee

The welfare committee is responsible for charity work. They make up baskets at Christmas and Thanksgiving and distribute them to the needy families in the community. They also send food and clothing to the people at Oak Forest. By selling tags at Christmas time the girls receive money to finance these projects. On Sundays a group of girls go to the Home for Incurables, and read to the people, write letters for them, or do other little helpful things.

They are the girls who are in the welfare committee.

How the Committee

This committee consists of secretaries, hostesses, custodians, marshals, and secretaries of attendance

The hostesses take charge of visitors who come to our school. They show them around, introduce them to the teachers, and make them feel as much at home as possible

The secretaries do the clerical and stenographical work that is always necessary in so large a club as the Girls Club.

The custodians have charge of the Girls Club property and see that everything in the office is neat and orderly.

The marshals preside at the assembly. They open the doors, show the girls to their seats, and generally keep order.

The secretaries of attendance record the absentees on the attendance slips turned in by the division chairmen. They write letters to the girls who are sick, or in case of a death, the Girls Club sends flowers.

Every year a May Queen is chosen from the Junior girls. Our May Queen was Bette Workman, who was crowned by the previous year's Queen, Bette Hansen.

Teas are an important factor of the Girls Club. They include one for the mothers, one for the faculty, two for the honor students and several for the board of control.

The junior service award, a purple and white bar pin, is given to girls who have won their white and purple "T" pins during their freshman and sophomore years respectively and who have participated in some outstanding service during their junior year. They must have a clear title in the junior class and must pass a test on the history, constitution and ideals of the Girls club.

At a scholarship assembly held every semester, girls who have received an A in four solids for one semester receive a key pin with one purple bar, and for every semester after that, another bar is added. When she completes five semesters of A's, she is given a gold key. If a girl attains seven semesters of A's, her name is engraved on the Scholarship cup kept in the Dean's office.

The Activity Point Commission records the activities of the Freshmen and Sophomores. When they earn 40 points, the Freshmen receive a white "T" pin and the Sophomores a purple "T" pin.

Every year it is a tradition of the Thornton Girls Club to have a Freshman Stand Up. It is so called because the freshmen girls especially are welcomed, and so many girls are present that they cannot sit but must stand.

Each Stand-Up is started with a general handshaking around the gym, which is followed by the crowning of the Stand-Up Queen who is always the president of the Girls Club. This year's queen, Virginia Treen, was given her pillow by the freshman representative Mitzi Meurisse. Virginia was robed by the sophomore representative, Betty Mills, crowned by the junior representative Marjone Johnson, and given her scepter by the senior representative, Fern Seitz.

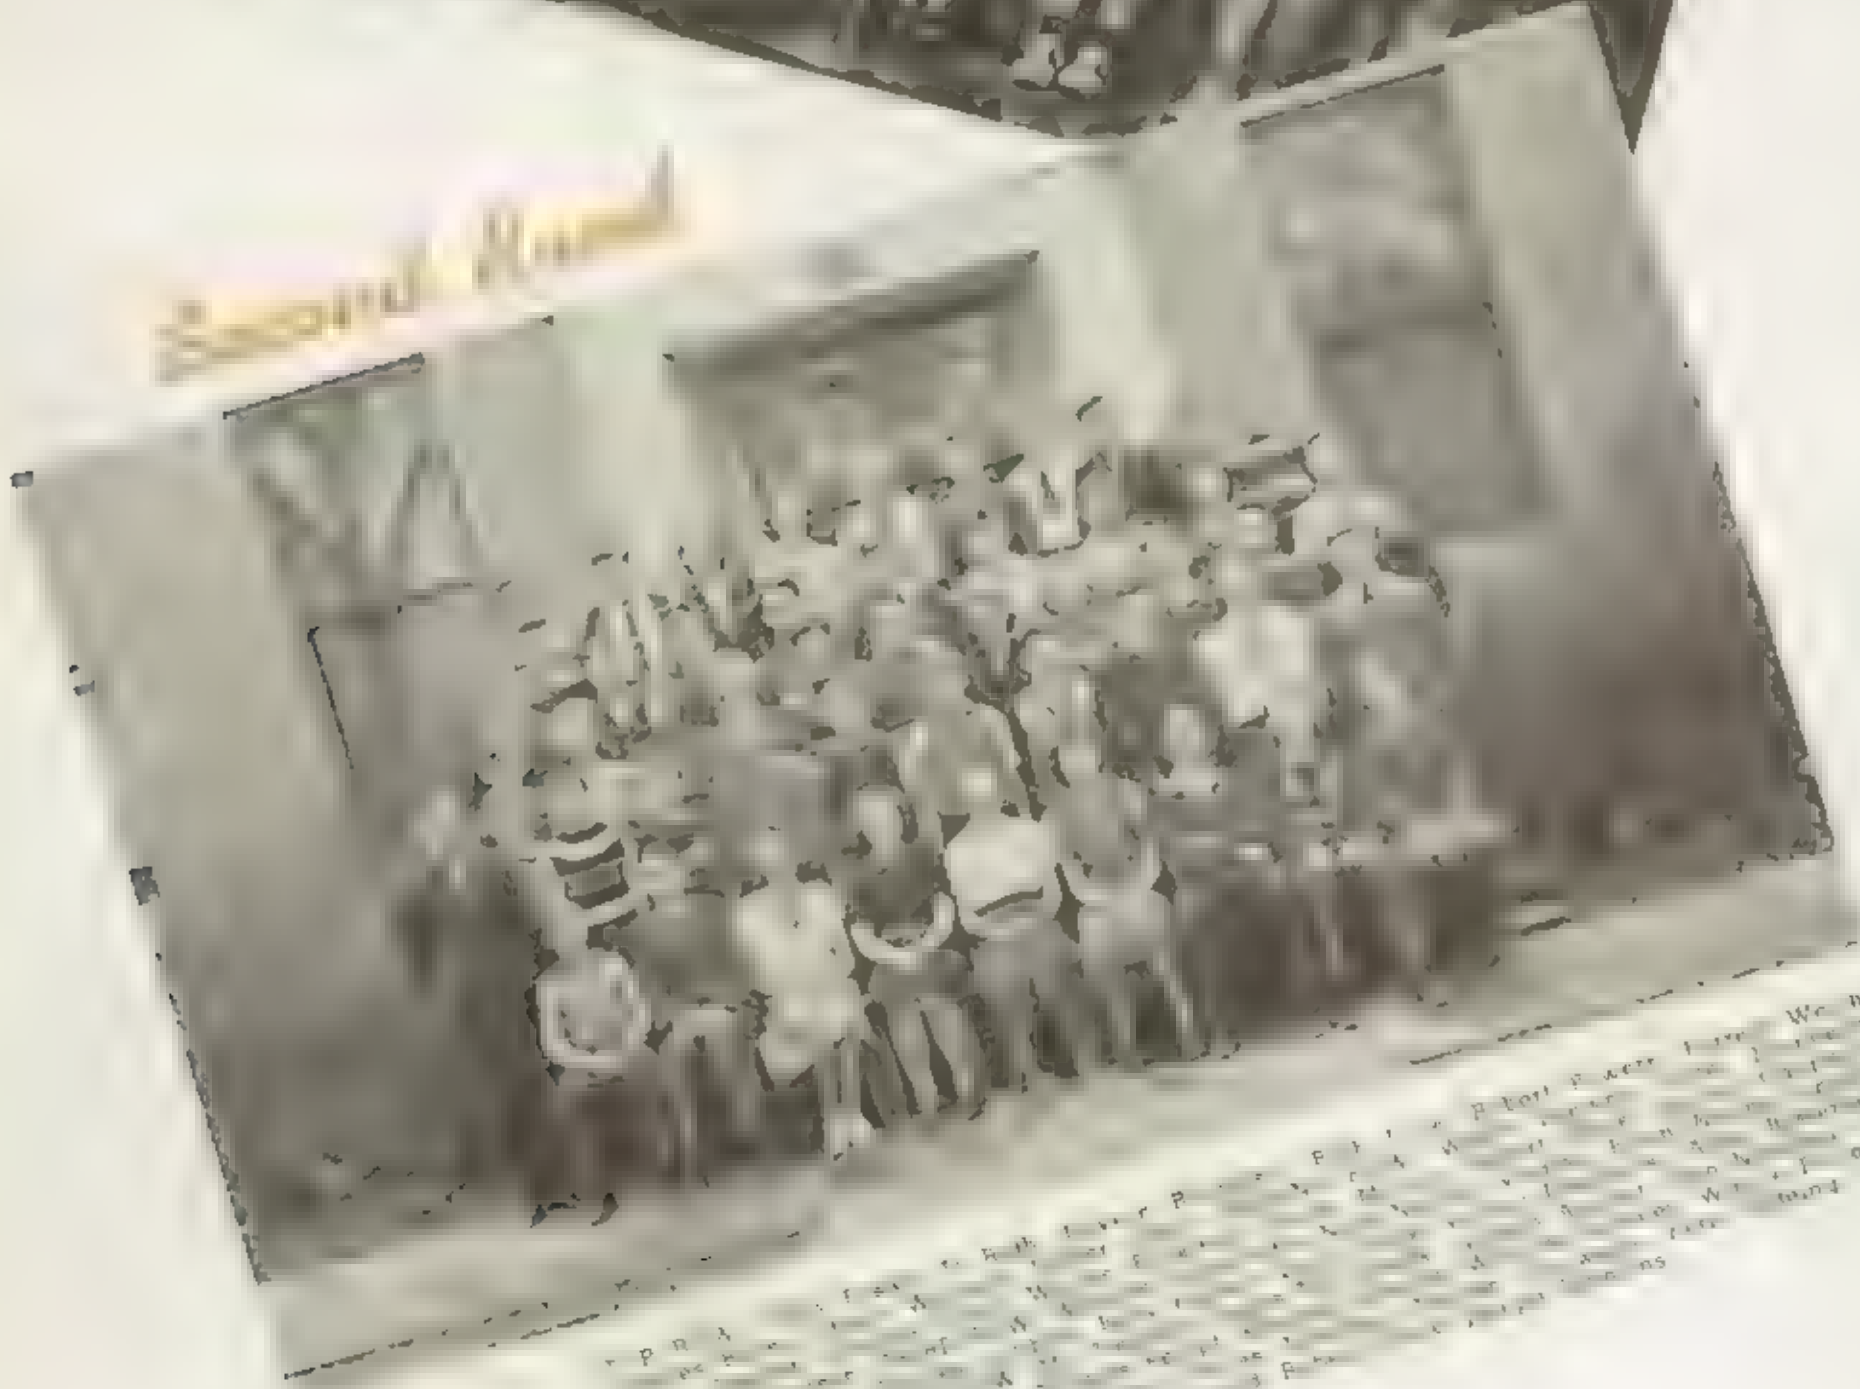

Following the crowning of the queen the freshmen are given favors, and then stunts are presented by each class. After they are finished, a grand march takes place and refreshments are served. The rest of the afternoon is spent in dancing.

"Our success was greatly due to the versatility of the first fifteen men," said Coach Lipe. "Another deciding factor was the team's spirit. They never knew when they were licked.

Before an opening night crowd of 3,000, Joliet battled the Wildcats to a scoreless tie. Although Thornton threatened many times, they lacked the final punch to score.

In mid-season form, Thornton took Blue Island 14 to 0, on a hot, dusty field. An 88 yard run by Bauman was the feature of the game.

A safety in the last quarter gave Thornton an 8 to 7 victory over Calumet City, thus the main obstacle in their path to the championship was removed.

A peppy Wildcat team defeated Kankakee 33 to 7 in a game that was all Thornton. It was a field day for the bench warmers.

Thornton defeated Pullman Tech in one of the toughest games of the year 9 to 7, a safety again determining the victor.

The Purple clinched the South Suburban title when they defeated Bloom 8 to 0. This was the third game cinched by a safety.

The Wildcats climaxed their undefeated season when they defeated Mooseheart 13 to 7 in a daylight thriller. Rhodes of Mooseheart made a 95 yard run and thus threatened the Wildcats with defeat.

The first team to have a perfect season in many years, the Lipemen ended their season possessing the South Suburban championship and the Warner Cup.

Proof that they played heads-up ball is shown by the three safeties which decided three crucial games.

Fresh-Soph Football

The inaugural of freshman-sophomore football brought a successful season to Thornton.

Under Coaches G. R. Valbert and F. W. Ring the Fresh-Sophs took three out of their four games.

A one-point margin gave them a win at Kankakee in their first game.

On October 13 Calumet City lost 7 to 0 on our field.

A setback was suffered as Bloom dealt a 13 to 0 defeat at Chicago Heights.

In great comeback style the Fresh-Sophs took a 7 to 0 win over Blue Island in their last game.

Of their four touchdowns, three were scored on passes from Melnyk to Schwartkopf and the fourth was made on a run by Melnyk.

Basketball

Coach Thielen B. Huddleston's ponies finished the 1938-39 season with three wins and nine defeats to their credit to take sixth place in the South Suburban league.

Badly crippled through the loss of last year's regulars, they were unable to form a clicking combination. Hopes for a championship team in the lightweight division soon dwindled.

After dropping their first game to Joliet, there followed defeats by Fenger, Joliet and Bloom. The ponies then took Fenger and won their first league game from Lockport by a score of 23 to 21.

Calumet City and Argo stopped the lights, but they came back to show some real form in defeating Kankakee 29 to 24.

The South Suburban leaguers ran rough-shod over the Purple for the next six games. The lights whipped Blue Island in their final game and avenged a 27 to 25 defeat in a "sudden death" overtime which they suffered earlier in the season.

In a non-conference game a combination team of lights and heavies dropped a 26 to 24 decision to the five from Roosevelt High.

Only two regulars, Louis Macaluso and Jack McPherrin, are graduating this year. The three regulars upon which Coach Huddleston will build next year's team are Bud Ursetne, Dave Staehling and Bob Martin.

A string of eleven victories against one defeat gave Coach K. J. Lipe's Purple Cloud undisputed possession of the South Suburban league crown.

The Lipemen broke even in their six non-league games, defeating Fenger twice and Decatur once while dropping two to Joliet and one to Roosevelt.

The sole conference defeat felt by the Wildcats came on the Chicago Heights floor at the hands of Bloom, their traditional rivals, with a 32 to 20 score.

The Thornton quintet was by far the largest in the league, averaging about six feet one inch in height and weighing 185 pounds. This advantage in height was an important factor in their championship drive.

The season's campaign of eighteen games netted the Lipemen fourteen victories and 576 points while their opponents won four games and scored 451 points.

Thornton breezed through the regional tourney at Chicago Heights, taking Blue Island 32 to 25 in the quarter finals, Lockport 31-27 in the semi-finals, and Joliet 24 to 20 in the deciding game. They were put out in the first round of the Joliet sectional by Coal City with a 36 to 34 score.

Ray Vincent is the sole survivor of the championship quintet. Ray led the scoring this year with 159 points and will probably be the spark plug of next year's offense. Coach Lipe will probably build the rest of the squad from the freshman second team which he was grooming this year.

Numerous factors have given the 1939 golf squad championship hopes. In pre season rounds Mr. Beeman golf coach came up with four 70 shooters who provided a backbone for a good team.

The golfers revealed their abilities in their first three matches, beating Lockport 9½ to 8½, Hammond 12 to 9, and Calumet City 16½ to 1½.

The boys on the green below composed the playing team. Reserves were Willard Schmidt, Henry Ingwersen, Francis De Vries, Hardy Griffith, and Fred Templin.

The Purple net team under Coach F. W. Ring, looked forward to a successful season after winning its first three matches. It also sent four men, Bill Stanley, Norman Barna, Russell Ahrens, and Bill Scupham to the semi finals of the state district tournament at Joliet.

They will meet opposition from Lockport, Argo, Blue Island and Calumet City, and on June 3, will enter the South Suburban league meet at Lockport.

Stanley, Barna and Ahrens played singles. Doubles teams were Clark and Scupham, and Phillips and Berschinski. Bill Meyer, Harold Gefert and Robert Naas were reserves.

The Thornton baseball squad, under the tutelage of Coach Frank Froschauer, began its 1939 season with a 250 average for the first four league games played.

After suffering a non-conference loss to Morton, the Thornton nine took its first South Suburban league game April 27 from Lockport in a 22 to 1 Wildcat slugfest.

On May 5 Thornton encountered the Bloom nine and were defeated in a pitcher's duel 4 to 1. Three Bloom runs were unearned. The Purple clashed with Argo May 9 but lost 12 to 9 in a slugfest for both teams. They also lost a return game on the Argo diamond 6 to 5.

Thornton's swimming team climaxed another successful season by winning the South Suburban league championship for the third consecutive year.

The team under the direction of Coach Frank E. Froschauer won nine meets while losing only two. The losses were suffered at the hands of Danville and Horace Mann of Gary. Thornton swimmers amassed a season's total of 424 points against 302 for their opponents.

Graduation will take lettermen Bennett, Johnson, Schmidt, Clark, and Ingwersen. Returning lettermen will be Gilley, Wurtman, Hazlehurst, Claussen, Kipley, and Fisher.

Lettermen:

Bob Bauman was elected to lead the Lettermen's club, Thornton's main athletic organization, this year. Other officers were John Sullivan vice president, Ray Vincent secretary-treasurer, and John Luttrell sergeant-at-arms.

Membership in the club is confined to the boys who were awarded letters in football, basketball, baseball, track, swimming, tennis and golf. The membership totals about 75.

Funds for the club are realized from the sales of ice cream and candy at all the home basketball games.

An annual banquet is held at which all letter winners are announced. At the banquet various Big Ten and other well known coaches are the guest speakers. A picnic and initiation comes the following week.

Coach Lipe is sponsor of the club.

G. A. A.

The Girls Athletic Association tends to make leaders, good sportswomen, fair players and independent girls.

The girls used the entire year for their activities as they shun the evil of idleness. Basketball skill was matched at a playday held January 28, when Thornton's junior senior girls beat Calumet City 13 to 10 and tied Bloom 9 to 9. The freshman sophomore girls beat Bloom 12 to 10 and were defeated by Calumet City 8 to 9.

At special events during the year the members receive awards which are heartily earned. The first award is a 3" set of numerals corresponding to the year the girls are graduating. After greater effort the 3" T is awarded. Last is the 5" T which is the highest honor a G. A. A. member can receive.

A number of motion picture films have been purchased this year. They will be left at Thornton for future use and to build up the library of films for the Association.

When swimming stars like Ann Alexander, whose skill is the result of vigorous practice, hold the state record for five years, the G. A. A. can well be proud. Soccer has cultivated a number of stars. The following girls have played together since their freshmen year and have never lost a game: Edith Mitchell, Ann Alexander, Norma Hilyer, June Kallestad, Lillian Hodge, Evelyn Mullen, Margaret Ke'o, Ethel Bookham and Violet Fontechia.
